Wilhelmina Warthog lived in the local zoo.
Her house was full of dirty straw, and mucky water too.
She didn't have the usual things to brighten up a room,
nor did she own a vacuum cleaner, or a mop, or broom.

So the warthog was quite dirty, and smelt a little bad,
but what else would you expect from such a stinky pad?

Henrietta Hippo did hairdressing for them all.
Wilhelmina hid behind her sofa when she'd call.
