I popped the seed into the dirt  
and gently pushed it down.

I'd have the happiest little seed  
of all of them in town!

Now do I wait for ages?  
When will a plant appear?

Do I have to give it food?  
If I talk will my seed hear?

I went back to my big book.  
"From water, air and sun  
plants get food to help them grow..."  
Wow! Planting seeds is fun!  
"Like humans and our animals  
plants need food to grow.  
Food gives us the energy  
to live and breathe." And so...
