Flo just wanted the people to see  
how gorgeous her pink feathers were,  
not gaze in awe at the penguin pool,  
and especially not at HER!

She wanted attention all for herself,  
so she devised a plan.

She rose from the ground with a mighty squawk,  
to display her great wingspan.

The families turned to see the show  
averting their eyes from the pool.

Patsy was attempting a somersault  
and thought the Flamingo was cruel.
