The Panther insulted
everyone.
Some animals started
to hide.

Then Zola stepped forward,
and in a loud voice said,
"I'm afraid you know
nothing of pride.

Pride is a feeling you
keep to yourself,
you glow with it deep
in your heart.

Try doing something
kind for a change,
that is a jolly nice start.

It's good to then feel
proud about it -
to know that you've been
a great friend.

But to tell us all at the
top of your voice
will drive us all quite round
the bend.
